ERA PRO SEMI PERMANENT SOAK OFF UV/LED COLOR GEL POLISH

Product Code: **GEPSG6PL-001** up to **125**

The absolute Professional Nail Polish provides maximum durability lasting 20 up to 30 days and double glow in comparison to other Gel nail polish. Semi-permanent nail polish is now the exclusive privilege of women. Enjoy your freedom without feeling the need for frequent nail care. Flawless, healthy nails without peeling or cracks. Application: Shake before use. Nails must be clean and dry before the process starts. Apply one thin layer of the ERA PRO GEL BASE COAT leaving a separation 1mm between the cuticle and the nail plate. Polymerize under a UV lamp for 2 minutes or for 30" under LED bulb. Continue with the color application. For best results apply 2 to 3 thin layer of colour coat. Polymerize each layer of color under a UV lamp for 2 minutes or for 30 seconds under LED bulb. After drying, apply a thin layer of the ERA PRO GEL TOP COAT that will seal the color and bring a durable shine. Finally polymerize for 2' under a UV lamp or for 30 seconds under LED bulb. Removal: Rough the surface. Use acetone. Soak off in gel remover for 10 -15 minutes. Lift up the layer of Gel polish with the semi-permanent removal tool.

ERA PRO SEMI PERMANENT GEL BASE COAT

Product Code: **GEPSNC-001**

The first step in a three-phase system of the ERA PRO Professional Gel Nail Polish. The formulation Base gel coat works as an adhesion promoter, guarantees the maximum durability by promoting the adhesion of coatings. Application: Shake before use. Nails must be clean and dry before the process starts. Apply one thin layer of the ERA PRO GEL BASE COAT leaving a separation 1mm between the cuticle and the nail plate. Polymerize under a UV lamp for 2 minutes or for 30 seconds under LED bulb.

001

ERA PRO SEMI PERMANENT GEL TOP COAT - NON WIPE

Product Code: **GEPSNC-002**

The third and, last step in a 3-phase system of the ERA PRO Professional Gel Nail Polish. The formulation Top gel coat ensures the maximum gels shine and protection of coatings. Professional Top gel coat with a superior high shine and non sticky after curing. Guaranteed durability, long wear and prevention from fractures on the top of colored coating. Application: After color is drying, apply a thin layer of the ERA PRO GEL TOP COAT, that will seal the color and bring a durable shine. Cures with polymerization for 2 minutes under a UV lamp or for 30 seconds under LED bulb. Non wipe formula. Does not need cleaning after application.

002

ERA PRO SEMI PERMANENT GEL MATTE TOP COAT - NON WIPE

Product Code: **GEPSNC-003**

This top top coat has been developed in conjunction with the semi-permanent Nail polish product range to give your nails the ultimate matt finish. Its unique formula dries quickly and extends the life of the Nail polish. Application: After drying, apply a thin layer of the ERA PRO GEL TOP COAT or the ERA PRO GEL MATTE TOP COAT that will seal the color and bring a durable ultra shine or a perfect matt finish look. Finally polymerize for 2' under a UV lamp or for 30 seconds under LED bulb. Non wipe formula. Does not need cleaning after application.

003

ERA PRO SEMI PERMANENT RUBBER BASE COAT

Product Code: **GEPSNC-004**

This top rubber base coat was developed in collaboration with the semi-permanent varnish so as to give your nails the ultimate result. It is thick, very durable and at the same time flexible and bends with the nail. The rubber base is designed to give extra strength to fragile and thin nails. It allows you to build, smooth, strengthen and also extend the natural nail plate up to 3mm. Apply a layer of ERA PRO RUBBER BASE COAT and cure in a UV oven for 2 minutes and in an LED lamp for 30".

004

WEEKLY GEL TOP COAT

Product Code: **GNC-107**

Perfectly healthy nails for 14 days without UV lamp with the power of the Sun! The weekly gel top coat incorporates breakthrough Pro-UV Technology. Thanks to the natural light, it prolongs the wear of the manicure. Extends nail polish durability up to 14 days without peeling. Perfect fit in color give an ultra - brilliant shine. Revolutionary formula, works without the need for a base. Intense shine enhanced by sunlight. Fast drying time. Removed very easily without scratching or soaking. Achieve professional salon results with the weekly gel top coat. Create even nail surface with dazzling gel look shine. Totally safe for nails as it doesn't contain any monomers or Hydroquinone.

107

WEEKLY GEL TOP COAT ULTRA SHINE FORMULA EXTRA STRONG

Product Code: **GNC-117**

Endless long-lasting shine and instant volume shapes perfect nails for 14 days. Professional technology for professional gel look at home. Top technology formula freezes the color on the nails until you remove it. Revolutionary Formula Pro-Wear Oligomers in high concentration and potency, maximize film flexibility by lengthening the life of the nail polish. Totally safe for nails as it doesn't contain any monomers or Hydroquinone.

117

WEEKLY GEL POLISH NEW FORMULA EXTRA STRONG

Product Code: **GWGPLNFES 501** up to **661**

The new improved innovative composition of the WEEKLY GEL POLISH NEW EXTRA STRONG FORMULA delivers perfect - long-lasting impressive shine to your nails. Enjoy flawless and healthy nails with a duration of up to 14 days without chipping with the power of the Sun! The Oligomers elements in the composition of the New Extra strong Formula provide impressive triple action: Drying - Curing - long-lasting. Does not contain monomer's or hydroquinone, toluene, formaldehyde. The winter months, leave them to dry naturally or use the UV lamp or LED bulb to cure the gel polish. **No base coat needed.**

* Until stock lasts

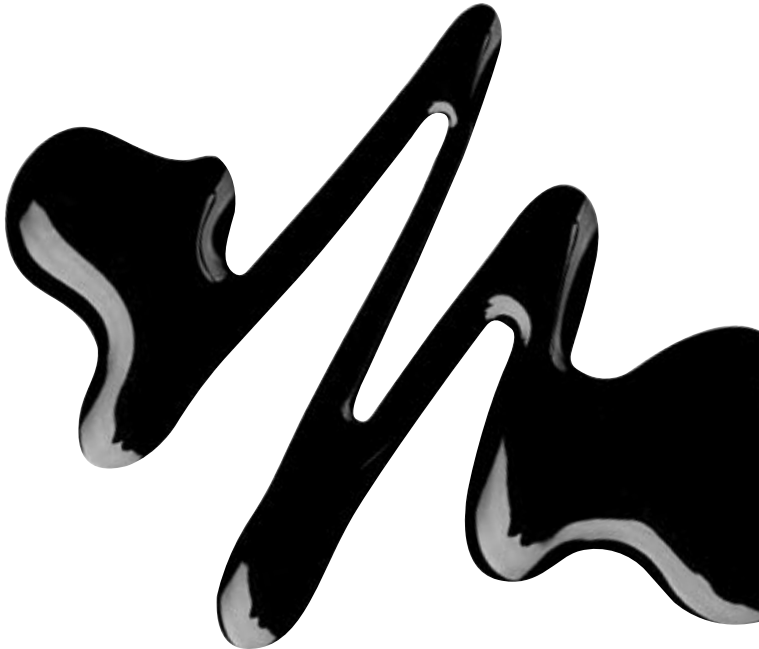

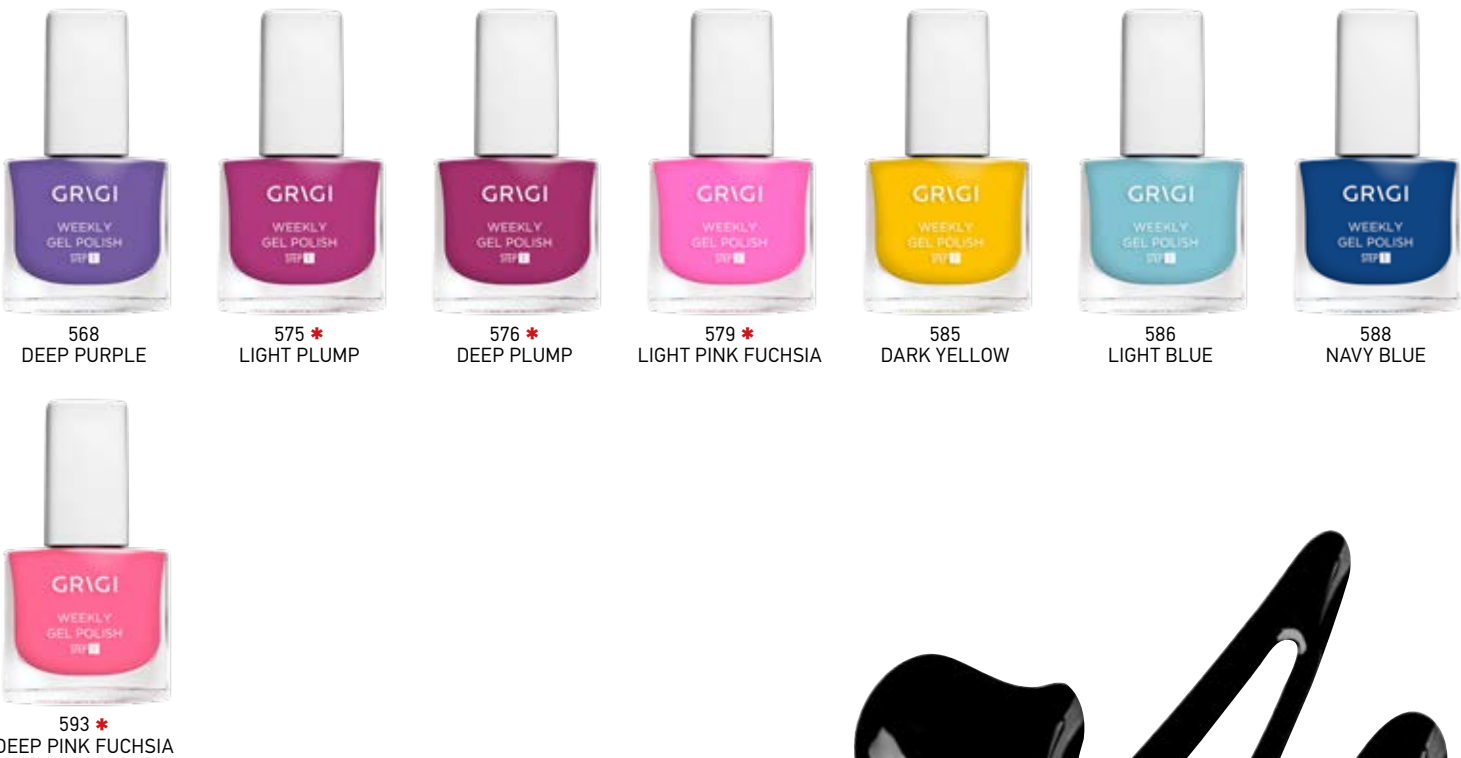

WEEKLY GEL POLISH

Product Code: **GWGPL-503** up to **593**

What if the magic power of the sun could keep your nails just like the day you painted them? Unlike some polishes that deteriorate over time, Sun Prodigy dries naturally under the sun light to a reticulated film that remains steadfast over time. Together with the Top Coat under the sun light the nail polish strengthens over time becoming more and more tough and resistant to chips. The result is a week long wear fresh, flawless color, just like the 1st day. The manicure regime in two steps, without the use of a base, means a faster routine than professional solution. The advance unique formula of the Weekly Gel Polish, creates perfectly smooth surface and maximize gel gloss. The removal couldn't be easier and safer: regular acetone-free without the need for soaking. **No base coat needed.**

THE SKIN PERCEPTION MIRACLE
OVERNIGHT SLEEPING MASK 10ml

Product Code: **GTSM-01**

New Miracle Sleeping Mask with alpha-gel structure creates a protective film. Maintains the vitality and cellular function of the skin. The high percentage of emollients it contains give shine during application. In addition, all the natural oils present in the formula (jojoba, argan and almonds), rich in antioxidants, deeply nourish and stimulate skin renewal. It also contains a high percentage of squalane of vegetable origin (from olive oil) which has the property of restoring the lipid barrier: it has a strong emollient power and prevents the loss of epidermal water restoring the elasticity of the skin. How to use: On a clean face, apply and leave on throughout the night. In the morning, clean your face and follow your own face care routine. Vegan
